St. Paul's RC Junior School's first priority is the welfare and safety of our children. We are committed to the highest standards in protecting and safeguarding the students at all times. Please read the information below

so that you are aware of how to raise any concerns that you may have about a child.

Sometimes we need to share information and work in partnership with other agencies when there are concerns about a child's welfare. We will ensure that our concerns about our children are discussed with their parents/carers first unless we have reason to believe that this would be contrary to their welfare.

Remember - Safeguarding is everyone's responsibility
