Parents' Meeting *Introduction to Read Write Inc.*

St. Paul's Junior School

What is RWI?

Read Write Inc is not just a phonics programme. It has progression of fluency built in at every step.

We are equipping the children with a strategy to help decode any unfamiliar word.

Once they have this strategy, we then support them to build fluency with the sounds that they know.

Your child might be on the programme for a few weeks, a few months, or however long it takes, we are aiming for all children to see themselves as readers, confident with any text.

Read Write Inc. Phonics

- Children are taught in groups based on their phonics needs. These groups are fluid all year, children move in and out of them depending on the progress and specific needs.
- We assess the children every 6 weeks and depending on their phonics stage and fluency your child may change groups.

As Dr Seuss said...

The more that you
READ

the more things
you will know.

The more you

LEARN

the more places
you'll go!

Dr. Seuss

Good readers do well in school - and in life.

By listening to your child read, you are making sure they have the opportunity to practise and become a good reader quickly.

Remember that all parents have power to change outcomes for their children

What is phonics?

All words are made up of individual **sounds**.

These sounds are merged together to form words.

e.g. in 'mat' we have the sounds 'm', 'a', 't',

ship – 'sh', 'i', 'p'.

English alphabetic code

- 44 sounds
- 26 letters
- Over 150+ graphemes (letter combinations)

One of the most complex alphabetic codes in the world.
