Love God Love Life Love Learning

The St Paul's school community

As you are aware, this week marks the end of my time as Headteacher of St Paul's. I have absolutely loved the past 14 years and the time has flown by. I was told when I arrived here many years ago that St Paul's is truly unique and after serving the community for so long I 100% agree. The children, families and staff are second to none and make St Paul's the caring and nurturing environment that I have come to love so much.

I would like to thank you for the trust, encouragement, and partnership you have shown throughout my time here. A strong relationship between home and school is essential to a child's success, and I have always appreciated the commitment you have shown to supporting both your children and our wider school community. I will miss standing on the yard in the mornings and afternoons greeting the children as they arrive and depart.

Together, we have celebrated many successes and faced challenges with resilience and determination. I am incredibly proud of what we have achieved as a school and am confident that St Paul's will continue to flourish in the years ahead.

I know the school will remain in excellent hands, supported by an exceptional team of staff who are deeply committed to providing the very best education and care for every child. I would like to especially give my sincere thanks to Mrs O'Callaghan, Mr Connolly, Mrs Clay and Mrs Cummings, who as the new senior leadership team have already put some exciting plans together for the new academic year.

Although I am looking forward to the next chapter in my career, I will always look back on my time at St Paul's with great affection and gratitude. The memories, friendships, and experiences I have gained here will stay with me forever.

Thank you once again for your kindness, support, and confidence in me. It has been an honour to serve as your Headteacher, and I wish every child, family, and member of staff continued happiness and success in the future.

With my very best wishes,

Mr Luck
