Comments It is lovely to read how confident the children feel coming into the junior school. So many parents have commented on how their children have forged close relationships with the Year 3 staff and that they are enjoying their lessons and that they are so happy. Mr. Luck				

2. The transition days in the Juniors were beneficial for my child

Comments The transition programme is planned and delivered early in the Summer Term so that the worries that the children may have regarding moving into the junior school can be addressed. It is lovely to read that this process has helped the children settle into junior school life effortlessly and we, as junior staff, can see its impact from day one. Mr. Luck
