We are aware that Religious Education is enjoyed by the majority of pupils at our school. I will be meeting with pupils in the coming weeks to hear their suggestions on how we can improve Religious Education at St Paul's as pupil voice is extremely important to the development of our curriculum.

It is encouraging to see that you feel that inappropriate behaviour is challenged in school. The 2 % of parents that don't know are those who haven't had to approach us regarding inappropriate behaviour. Like any school we do have incidences of challenging behaviour, but it is important to keep this in perspective and remember that the vast majority of our children behave well most of the time. I believe this is because we try to work in close partnership with yourselves to ensure the children are getting the same messages and values at home and in school.

We pride ourselves on having an open door policy at St Paul's and ensure that members of SLT are on the yard at the start and at the end of the day to discuss any concerns that you may have. If you ever have any concerns, as little as you may think they are, please don't hesitate to contact us in school.

At St Paul's we are fortunate to have our parish church so close. We work with the parish to prepare pupils for the sacraments and to enhance our Religious Education curriculum. We are thankful that Father John lets us use the church for school celebrations and for important dates on the liturgical calendar.

Parents are invited in to school throughout the year to attend special celebrations such as Harvest, Carols by Candlelight and Year 6 Leavers service. Parents also take part in class Mass with Year 4 as they prepare for their first Holy Communion. We are currently in the process of creating a prayer space in school that can be visited by our entire school community.
