

Merseyside Violence Reduction Partnership have developed a campaign to raise awareness about the impact of **Child Criminal Exploitation** (CCE). Young people continue to remain vulnerable to CCE during the UK lockdown period.

The attached resource booklet has been produced to help develop young people's understanding of CCE. Young people, families and professionals should be signposted to the attached resource and the following links:

<https://eyes-open.co.uk/>

<https://www.merseyside.police.uk/police-forces/merseyside-police/areas/campaigns/campaigns/2018/eyes-open/>

There is a very informative video here:

https://www.youtube.com/watch?time_continue=9&v=0UjeUfg-zoo&feature=emb_logo

We would encourage schools and settings to make their young people and families aware of the campaign, as soon as it is feasible. It would be helpful if schools could ensure their websites and newsletters shared these key resources.

The campaign has already been promoted locally:

<https://www.liverpoolecho.co.uk/news/liverpool-news/mum-who-worked-40-hours-17963413>

Once schools reopen the campaign will be revisited.

Fearless is also an excellent resource for young people, families and professionals:
